

To Wish You
A Happy Hannukah
a Gift for
has been sent
in your honor to
Angel Interfaith
Network by

ANGEL INTERFAITH NETWORK

...is individuals, faith groups and community organizations committed to meeting urgent needs of LAC+USC Medical Center patients and families.

The Network is staffed by volunteers who provide services on an individual basis, often linking the need with a local agency or church that has already indicated its readiness to respond.

This donation helps provide holiday dinners, gifts for children, emergency food and shelter, diapers, infant clothing, funeral expenses, transportation to medical appointments, and a friendly, caring and encouraging presence in difficult times.

Angel Interfaith Network (AIN) partners with L.A. County + USC Healthcare Network to meet unique physical and spiritual needs of patients and families with neighbor to neighbor support.
